Dear Mrs Almunshi

Ofsted visit to Rossington Tordedale Infant School

Following my visit with Jean Watt, Her Majesty's Inspector (HMI), to your school on 3 November 2020, I write on behalf of Her Majesty's Chief Inspector of Education, Children's Services and Skills to confirm the visit's findings. Thank you for the time you made available to discuss your actions since September 2020, when the government expected all schools to open fully to all pupils.

This visit was conducted under section 8 of the Education Act 2005 (as amended) and in accordance with Ofsted's published procedures for visiting schools while routine inspections are temporarily suspended.

Ofsted's visits to schools during the autumn term are not inspections. We are not giving graded judgements. We did not undertake the usual range of inspection activities and were unable to check other sources of evidence, such as visits to lessons or looking at pupils' work. The content of this letter gives an overview of our discussions about what has happened in your school this term.

During the visit, we spoke to you and the deputy headteacher. We did not speak to pupils because of the protective measures in place.

Context

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how England's education system is managing the return to full

education for pupils, following an extended break in formal schooling due to the COVID-19 (coronavirus) pandemic.

In undertaking this focused work, HMI are visiting a broad range of schools. HMI will visit a sample of:

- approximately 1,200 schools across all Ofsted grades (outstanding, good, requires improvement and inadequate)
- maintained schools, academies and free schools, special schools and centres of alternative provision, including those in cities, and coastal, town or rural communities.

The information from this visit will feed into Ofsted's national reporting so that the insights can be shared with the government and the education sector. We did not find any significant concerns during the visit. In such a case, an inspection report would be published on our website and available to parents and carers.

We did not consider your response to COVID-19 during the spring and summer terms 2020, when the school was not open to all pupils.

From this visit, inspectors noted that:

- You opened the school on 7 September, when all pupils were expected to attend full time.
- Pupils' attendance since the start of term is above what it was this time last year.
- Pupils are studying the range of subjects that make up the school's usual curriculum.
- Teachers have checked pupils' phonics knowledge and vocabulary. You explained that you have put in additional support to help pupils catch up in reading.
- In mathematics, teachers have checked pupils' new starting points. Pupils needed to revisit their number recognition and counting above 10. You outlined how teachers are weaving this work into their usual curriculum plans.
- In the wider curriculum, you are prioritising the development of spoken language.
- Pupils who are unable to attend school are provided with online and paper-based learning. You plan to continue with this approach as and when needed.

Thank you again for contributing to this important national work. The views and experiences you have shared will help to inform future policy.

I am copying this letter to the chair of the governing body, the regional schools commissioner and the director of children's services for Doncaster. This letter will be published on the Ofsted website.

Yours sincerely

Patricia Head
Her Majesty's Inspector
